

Unitex exterior profiles are made from a light weight centre with a reinforced coating of pure resins and cementitious minerals.

Lightweight, factory made and pre-cut guarantees shape exactness to be always the same to allow quick and easy application.

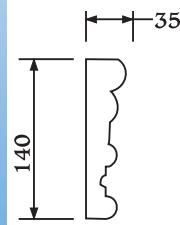

The Uni-Shapes come in a grey cement colour or can be coloured with Unitex impact print from the Unitex Uni Decor colour range.

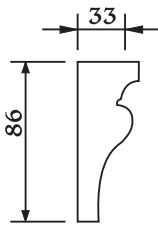

Product AM102
Uni-Shape
Architraves Profile
Length: 3m

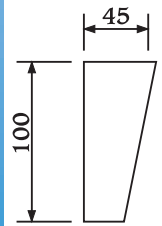

Product AM110
Uni-Shape
Architraves Profile
Length: 3m

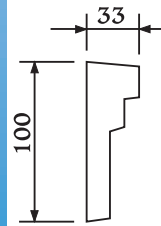

Product AM116
Uni-Shape
Architraves Profile
Length: 3m

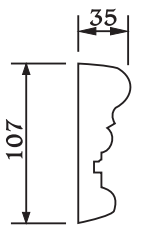

Product AM103
